## Airports & Transportation

Located in the center of Southern California, Anaheim/Orange County is very accessible. With public transportation and a variety of ground transportation, there are plenty of resources to help you get to and travel around Anaheim/Orange County.

### Anaheim Resort Transit (ART)

The ART is the transportation system of Anaheim and the greater Anaheim Resort® District, including the cities of Anaheim, Garden Grove and Orange. ART's frequent service with 17 routes allows for easy access and convenient connections. One, three and five day passes available for adults and children (pricing \$1-16).

### Orange County Transit Authority (OCTA) Bus

OCTA operates the public bus system in Orange County. With approximately 77 bus routes covering 6,200 bus stops, it connects the entire Orange County region. One day passes are \$4.

### Amtrak

Amtrak, a nationwide rail service, provides convenient passenger rail service within the Orange County area. Amtrak's 11 trains serve Anaheim, Fullerton, Irvine, Santa Ana and San Juan Capistrano on a daily basis.

### Metrolink

Metrolink is Southern California's rail system and provides meeting and convention attendees easy access to major points of interest. The Orange County portion of the Metrolink has 11 stations offering 42 round trip schedules every weekday on three lines.

### Anaheim Regional Transportation Intermodal Center (ARTIC)

ARTIC will serve as the central hub for all transportation modes; a place where freeways, bus routes, and rail transit systems will converge in the heart of Anaheim. In the future, ARTIC will also accommodate the Anaheim Rapid Connection (ARC) and high-speed trains. *Estimated completion of ARTIC is 2014.*
