### Event Planning

Please refer to the Event Planning Portfolio to note any surcharges you may incur and other important information. After pre-planning, whether in person or over the phone, your Event Manager will issue your **Group Specification Sheets** and **Function Sheets**. These are submitted approximately one month prior. It is imperative that you review these, make any changes or corrections and return a signed copy

### Agenda, Banquet & Meeting Space

Meeting and banquet space is assigned according to the contracted agenda and anticipated number of guests. The Bay Point Marriott reserves the right to change any locations if there is an increase or decrease in the estimated attendance number, and/or a change in program. Therefore, before your final agenda is printed, please contact your Event Manager to finalize details. Meeting rooms are not provided prior to issuing of the **Function Sheets**. Should your guestroom usage and/or actual food and beverage fall less than outlined in the Sales contract, **a meeting room rental will apply**. The Hotel reserves the right to charge an additional set up fee for events with extraordinary set up requirements or changes to room set-up once the room has been set.

### Food & Beverage

Written confirmation of prices for all banquet food and beverage selections can be obtained three months prior to group arrival. In order for us to assure the availability of all chosen items, your menu selections should be submitted to the **Conference Service** or **Catering Manager** four weeks prior to the function date. The enclosed menus are only a guide in planning your special event. We will be glad to prepare any additional items or special requests.

Due to State Liquor Control Board and Department of Health License restrictions, all food and beverage must be arranged and purchased through the Hotel, including Hospitality Suites.

### Guarantees

A final guarantee of attendance at all Food and Beverage functions must be submitted **four business days prior** to the date of your functions. This number may be increased but not lowered 72 hours prior to the function. If no final guarantee is received, we will consider the number indicated on the **Banquet Event Order** to be the correct guarantee number. We will be prepared to service 5% above the guaranteed number. If you desire us to overset more than 5%, a labor charge will apply.

### Cancellation

Once a contract is validated it is understood that if the group should cancel, the group will be subject to a cancellation fee. The cancellation fee would be in addition to any non-refundable deposits already collected.

### Liability

Bay Point Marriott reserves the right to inspect and control all private functions. Liability for damage to the premises will be charged accordingly. The Hotel cannot assume responsibility for personal property and equipment brought into the meeting facilities.

### Labor & Buffet Charges

A \$50.00 labor charge applies when the number of guests at a meal function is less than 24.

A \$100.00 buffet charge applies when the number of guests attending a buffet is less than 50.

A \$500 surcharge will apply for 30° Blue pool deck, Club 19 and beach parties. A 25% surcharge of total food and beverage (before service and tax) will apply for off-property parties. (Minimum charge \$250.00)

One bartender per 75 people is our standard. Any bar, whether sponsored or cash, will be subject to a bartender charge of \$75.00 per bar for first four hours and \$25.00 for each additional hour.

Cash bars over 75 people require a cashier at \$75.00 per cashier for first four hours and \$25.00 for each additional hour.

Chef, carver and attendant fees are \$75.00 per attendant for up to two hours and \$25.00 for each additional hour.

### Service charge & Tax

All Food and Beverage functions are subject to a 22% Service Charge and a 6.5% Sales Tax. The 6.5% Sales Tax is applied to the total charge following the addition of the 22% Service Charge. Should your group have tax exempt status in the State of Florida, the Bay Point Marriott requires a copy of the Tax Exemption Certificate before we are able to deduct tax and must be approved by our controller.

### Billing & Deposits

Deposits and pre-payment requirements are detailed in your Sales contract. In order to establish direct billing, the total estimated charges to be billed must exceed \$2000.00 and an application must be completed and returned 30 days prior to arrival. For an account of less than \$2000.00, a credit card authorized form must be completed and returned ten days prior to the event.

Any expenses incurred by the group from an off premise venue can be billed to the Master Account. The Bay Point Marriott will apply a service fee of 22% to these charges for handling of payment.

### In-House Equipment

We will provide, at no additional charge to meeting room rental, a reasonable amount of meeting equipment (i.e. chairs, tables, staging etc.). The complimentary arrangement does not include special set-ups of an extraordinary format that would exhaust our in-house equipment to the point of having to rent an additional supply to accommodate your or other group's needs. If such is the case, we will anticipate the same in sufficient time as to present two alternatives - rental cost to your group for additional equipment or change to the extraordinary set-up, avoiding the extra rental.

### Outdoor Events

All outdoor functions will have an alternate back-up location. A decision must be made whether the function will remain outdoors or be moved to the alternate back-up location and must be given to the Hotel by 8:00 a.m. for luncheons, and by 12:00 p.m. for receptions and dinners. If the group contacts do not make themselves available for this decision, it will be made at the Hotel's discretion. Once the move has been made, whether by the group contact or the Hotel, it will be final and irreversible. If the contact of the group chooses to remain outdoors and inclement weather forces an indoor move to the alternate location, \$3.00 per person (minimum \$300.00) will be charged to the group's master account. Should the rain probability be 50% or greater, the Hotel reserves the right to automatically use the alternate location.

### Property Damage

The organization will be held responsible for any action and/or damage to the Hotel property by any guest and/or employee of your group.

### Signs & Banners

A limited number of pre-approved signs are permitted in the registration and private function areas only. Signs are **not** to be affixed to walls by tape, nails or tacks. All signage to be placed in the hotel will need the prior approval from the **Convention Service or Catering Manager**. Banners may be displayed at the discretion of the Hotel. A minimum \$35.00 fee per banner per installation will apply. Larger banners are subject to higher charges. Banners are to be handled by Hotel staff only.

### Security

It is the group contact's responsibility to make arrangements to secure exhibits, merchandise, articles set up for display, and/or materials or equipment left in a meeting room. The Bay Point Marriott will not be held liable for items left unattended in function rooms (whether locked or unlocked) and public areas. The Bay Point Marriott strongly recommends arranging security. Security guard charges are \$30.00 per guard per hour.
